

Your referral to Texas Children's Hospital: Bariatric Surgery Program

Your doctor has referred your child to the Bariatric Surgery Program at Texas Children's Hospital.

Select visit types may require review by our team before scheduling can occur. When the review is complete, we will contact you to schedule an appointment.

To schedule an appointment or to check on the status of your referral, please call 936-267-7333, Mon. – Fri., 8 a.m. – 4:45 p.m.

Please note that, in order to schedule an appointment in this program, your child must be at least 14 years old and have a body mass index (BMI) of 40 or greater.

Thank you for allowing us to care for your child.
