

Your referral to Texas Children's Hospital: Plastic Surgery

Your doctor has referred your child to a pediatric plastic surgery provider at Texas Children's Hospital. For your convenience, our plastic surgery providers see patients at multiple locations and **may offer video visits for certain conditions**.

Many visit types can be scheduled using your Texas Children's MyChart account.

If you do not have a MyChart account for your child, prefer to make an appointment over the phone or would like to check on the status of your referral, please call:
